Current  
status

After 4 years as a developer in finance in London, I left to travel the world. The global pandemic made me come back to France. I made the most of lockdown by learning new technologies and support local businesses.  
I am currently looking for short-term opportunities.

Work

FULL-STACK DEVELOPER WITH 4 YEARS OF EXPERIENCE AT SOCIÉTÉ GÉNÉRALE

2015 – 2019
